

# EC-CERTIFICATE OF CONFORMITY

0751-CPD.2-006.0-02-01/12 (E)

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 10/66/EEC of the Council of European Communities of 22 July 1990, it has been stated that the construction product

**Factory made flexible elastomeric foam (FEF) products**  
with the brand name

**Kaiflex**

as thermal insulation products for building equipment and industrial installations  
for uses subject to regulations on reaction to fire

(product parameters and classes, description of the product, the declaration and the use of the product  
is presented in the annex)

placed on the market by

**KAIMANN GmbH**  
Hansastr. 2-5  
DE-33161 Hövelhof

and produced in the factory

**Hövelhof**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body

**0751 - Forschungsinstitut für Wärmeschutz e.V. München**

has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

**EN 14304:2009**

with the Annex B and C of EN 13172:2008  
and Section 8 of EN ISO 13787:2003

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on May 7, 2012 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the Factory Production Control itself are not modified significantly.
